Incursion Excursion INFO

CHANCELLOR OSHC INCURSION / EXCURSION PROVIDERS INFORMATION

At Chancellor OSHC we follow the MyTime, Our Place Framework for school aged care, part of the Australian Government's National Quality Framework.. We choose all our activities, including our incursions with the My Time Our Place (MTOP) Outcomes in mind. Read about our external Incursion providers and benefits for our children and see the outcomes for the incursions planned.

Outcome 1: Children have a strong sense of identity. They feel safe, secure, and supported. They develop their autonomy, inter-dependence, resilience and sense of agency. Children develop knowledgeable and confident self-identities. Children learn to interact in relation to others with care, empathy and respect.

Outcome 2: Children are connected with and contribute to their world. They develop a sense of belonging to groups and communities and an understanding of the reciprocal rights and responsibilities necessary for active community participation. Children respond to diversity with respect. Children become aware of fairness. They become socially responsible and show respect for the environment.

Outcome 3: Children have a strong sense of wellbeing. They become strong in their social and emotional wellbeing. Children take increasing responsibility for their own health and physical wellbeing. Children become confident and involved learners through music and moving.

Outcome 4: Children are confident, involved learners. They develop dispositions such as curiosity, cooperation, confidence, creativity, commitment, enthusiasm, persistence, imagination and reflexivity. They use a range of skills and processes such as problem solving, inquiry, experimentation, hypothesising, researching and investigating. Children transfer and adapt what they have learned from one context to another. Children resource their own learning through connecting with people, place, technologies and natural and processed materials.

Outcome 5: Children are effective communicators. Children interact verbally and non-verbally with others for a range of purposes. Children engage with a range of texts and gain meaning from these texts. Children collaborate with others, express ideas and make meaning using a range of media and communication technologies.

GO SEEK ENTERTAINMENT GROUP

is a funky & vibrant children's entertainment group.

Go Seek captivates and engages children in an interactive, fun way with an active approach to life emphasising self worth, fun-learning, health, music and creativity
Go Seek CHRISTMAS CRAFT

Our friendly workshop guides are on hand to inspire and assist our young crafters as they explore their artistic potential. Each session is designed to be a fun, mindful, and hands-on experience, where children can express themselves freely, enhance their fine motor skills, and take home a unique piece of art that they'll be proud to display.

MTOP OUTCOME 2 Children engage in creative activities that connect them with others across age groups, strengthening relationships and community spirit..

Go Seek TALENT SHOW is designed to empower, challenge and build the self-esteem of children through performance.

MTOP OUTCOME 2 Children engage in creative activities that connect them with others across age groups, strengthening relationships and community spirit.

GAMES MASTERS Peddle Karts

Nothing is quite as fun as getting your friends together and racing around an awesome track. This activity helps to develop gross motor skills, and spatial awareness while having a great time. Games Masters bring everything your need. Put a helmet on and away you go.

MTOP OUTCOME 3. Children take greater responsibility for their own health; they become strong in physical wellbeing, and engage in active play that builds coordination, teamwork and promotes a healthy lifestyle

Ultimate Gaming Trailer will keep the children engaged and excited! Play individual or team games, test and hone your skills, and see how talented you and your buddies are.

MTOP OUTCOME 5. Children interact verbally and non-verbally with others; they engage with a range of texts and media. Interactive gaming promotes communication, teamwork, and strategic thinking in a fun, social environment

THRILL HILL

Thrill Hill is Sunshine Coast's only waterslide park - packed full of non-stop entertainment with all the thrills and spills all ages can handle! Offering endless waterslide fun for adults and children . A warm welcome every time you visit, come on down and experience the thrill of our 120-metre dynamic hydro slipslide and more! You'll be sliding within 15 minutes of your arrival! CSC OSHC has booked the waterpark, so we'll be the only group there!

MTOP OUTCOME 3 Children take responsibility for health and safety; they develop physical wellbeing. Adventure play builds confidence, coordination, and resilience through physical challenges.

Incursion Excursion INFO

Continued

CHANCELLOR OSHC INCURSION / EXCURSION PROVIDERS INFORMATION

ENVIROMENTORING

Children will learn how to layer a terrarium, design it with plants of their choice and decorate it with rocks, sand and a mini figurine! They learn about the water cycle, how to care for plants and how to look after their new micro-ecosystem!

MTOP OUTCOME 2 & 4 Children learn new skills and processes such as experimentation. They become socially responsible and show respect for the environment. Building terrariums encourages creativity and environmental awareness through hands-on exploration.

Laser Tag IN A BOX

WATER ROYALE is the ultimate playground battle! Each box includes everything needed—just add water and get ready for a splashtacular time. Perfect for sunny days and outdoor adventures!

This incursion brings high-energy excitement and provides physical, mental, strategic and planning challenges, all disguised as a lot of fun!

MTOP OUTCOME 1 & 3 Children develop physical wellbeing; Children develop autonomy and interdependence working in teams. Encourages persistence, turn-taking, and resilience through friendly, skill-based competition.

SUNCITY TENPIN **SUNCITY**

Open for almost 50 years, seven days a week, Suncity has an experienced charm you won't find anywhere else! We love, live, breathe and know bowling. Whether you're a serious bowler, after a fun day out, or looking to book a party or event with a difference – Suncity is the place for you!

MTOP OUTCOME 1 & 3 Children develop physical wellbeing, autonomy and interdependence. Bowling supports coordination, teamwork, and social interaction in a shared, active setting.

Street Science CO2 ROCKETS

Students investigate Newton's laws of physics by building and launching CO2 rockets. This workshop links into the school science curriculum including exploration of contact and non-contact forces.

MTOP OUTCOME 4 Children develop dispositions for learning; Children resource their own learning through connecting with people, place, and technology.

Hands-on science exploration encourages curiosity, critical thinking, and engagement with STEM concepts
