\$65.00 per day that has **NO INCURSION**.

EXCURSION No excursions this vacation.

EXCURSIONS

NOTE: for any excursions, children must be registered in OSHC prior to organising for departure. Children who are late for stated arrive time, or who are dropped off at the departure area will NOT be able to go on the excursion. Check schedule for food needs and other requirements.

FOOD AT OSHC

The service provides **breakfast** (7:00am to 8:00am), **morning tea**, **afternoon tea** and a **late snack**. Check excursion days for BYO snacks and/or lunch! Chancellor OSHC follows Queensland Health's Nutritional Standards for Meals and Menus.

BYO LUNCH BOX - If bringing lunch from home, there is no heating or cooking available. Also, no nuts or whole egg.

LUNCH ORDER AT OSHC

Chancellor OSHC offers a Lunch menu. Cost is \$7.00 and your child will receive a hot main meal, dessert and popper. Place your order by using Qkr! app.

BOOKINGS: HOW TO MAKE YOUR VACATION CARE BOOKING ON OWNA

ALL bookings are done via the OWNA App.

Bookings **OPEN August 25**. Bookings **CLOSE** September 11 (for staff rosters to be prepared).

After September 11 if you require a booking, email your request to oshc@cscpandc.org.au - places will be allocated depending on child/educator ratios.

TO BOOK: Open the OWNA App:

1. Press the + icon.
2. Select Casual Bookings (all vacation care bookings are casual).
3. Select Vacation Care Room, OR, select EXCURSION if your child will be going on an excursion that is scheduled on that day.
4. Select the week and child, you would like to book for.
5. Choose from the available days (in Green). If you are booking for multiple children you can see available number of places.
6. Press Book Selected to confirm.

If there are no spots available, you can click the bell icon to be notified if a spot opens up.

CANCELLATIONS

We require 7 days notice, via an email, for a cancellation of fees. Once we receive an email, we will adjust the attendance and you will not be charged.

If your child is not attending within the 7 day time frame, we kindly ask you to use your OWNA Parent App to mark your child as Not Attending. There is no need to email us for less than 7 days notice. You will still be charged for this booking.

For OWNA video support for casual bookings go to <https://ownaportal.tawkh.help/article/parents-book-casual-spots>

CONTACT US

OWNA App is the most efficient way to communicate with us.

CHANCELLOR OSHC INCURSION PROVIDER INFORMATION

At Chancellor OSHC we follow the My Time, Our Place Framework for school aged care, part of the Australian Government's National Quality Framework. We choose all our activities, including our incursions with the My Time Our Place (MTO) Outcomes in mind. Read about our external Incursion providers and benefits for our children and see the outcomes for the incursions planned.

Outcome 1: Children have a strong sense of identity. They feel safe, secure, and supported. They develop their autonomy, inter-dependence, resilience and sense of agency. Children develop knowledgeable and confident self-identities. Children learn to interact in relation to others with care, empathy and respect.

Outcome 2: Children are connected with and contribute to their world. They develop a sense of belonging to groups and communities and an understanding of the reciprocal rights and responsibilities necessary for active community participation. Children respond to diversity with respect. Children become aware of fairness. They become socially responsible and show respect for the environment.

Outcome 3: Children have a strong sense of wellbeing. They become strong in their social and emotional wellbeing. Children take increasing responsibility for their own health and physical wellbeing. Children become confident and involved learners through music and moving.

Outcome 4: Children are confident, involved learners. They develop dispositions such as curiosity, cooperation, confidence, creativity, commitment, enthusiasm, persistence, imagination and reflexivity. They use a range of skills and processes such as problem solving, inquiry, experimentation, hypothesising, researching and investigating. Children transfer and adapt what they have learned from one context to another. Children resource their own learning through connecting with people, place, technologies and natural and processed materials.

Outcome 5: Children are effective communicators. Children interact verbally and non-verbally with others for a range of purposes. Children engage with a range of texts and gain meaning from these texts. Children collaborate with others, express ideas and make meaning using a range of media and communication technologies.

GAMES MASTERS

Our **Ultimate Gaming Trailer** will keep the children engaged and excited! Play individual or team games, test and hone your skills, and see how talented you and your buddies are.

MTO OUTCOMES 1, 3, 4

AFRICAN DRUMMING

A memorable journey of West African musical culture, the show includes drumming, dancing and singing. We bring African drums for everyone and tailor our sessions according to learning capabilities for different age groups. Children (and adults) will be engaged, motivated and have so much fun watching, listening, moving, dancing and playing!

MTO OUTCOMES 1, 2, 4, 5

AUSSIE INFLATABLES

Our Extreme Challenge Course is 28m long and has LOTS of AWESOME challenges! Burst through biff and bash obstacles, crawl through tunnels, conquer climbing walls, weave around vertical and horizontal poles, squeeze through challenging sections, and finish with two thrilling slides before racing back for another go. A really great fun and healthy outdoor activity for all ages!

MTO OUTCOME 1, 3, 4.

COZY CREATIONS by OSHC

Choose a design and make your own cozy pillow pet at OSHC. All materials and patterns are provided, and the completed pillow pet will go home with the student at the end of their OSHC day.

MTO OUTCOMES 1, 3, 4, 5

MIGHTY MOMENTS -

We believe in the importance of having strong roots in one's self and the courage to branch out and try new things. We want to equip all saplings with the tools they need to be unapologetically themselves.

Our **Coding Crew** presents programming principles through hands-on and device-free activities. In this digital playground, children become tech explorers, learning the language of the future while solving puzzles, designing games, and creating interactive experiences that combine logic, creativity, and collaboration.

MTO OUTCOMES 3, 4, 5

MAGIC PETE'S MAGIC SHOE & WORKSHOP

Magic is used world-wide as an activity to teach creativity, lateral thinking, hand-eye coordination and problem-solving. The Magic Workshop teaches kids how to follow steps to reach a magical conclusion. All materials are provided and it's great fun learning them all! Of course the kids won't notice they are learning any of this because they'll be having too much fun!

MTO OUTCOMES 1, 2, 4, 5
