VARIATION IN OPERATING HOURS AND SPACES

Due to Primary School hall renovation, Vacation Care will operate from alternate spaces for **WEEKS 1 and 2** only, we will be in the **Library and MOD 4.**

During these two weeks only, our operating hours will temporarily change to 7.00am - 5.30pm. Please ensure children are **dropped off from 7.00am and collected by 5.30pm**.

We understand these changes may affect family arrangements and that a different environment may be unsettling for some children. Our team will support children throughout the transition. Weeks 3 and 4 will be all back to normal times and spaces.

Thank you for your understanding and flexibility.

Incursion Excursion INFO

CHANCELLOR OSHC INCURSION PROVIDER INFORMATION

At Chancellor OSHC we follow the My Time, Our Place Framework for school aged care, part of the Australian Government's National Quality Framework.. We choose all our activities, including our incursions with the *My Time Our Place* (MTOP) Outcomes in mind. Read about our external Incursion providers and benefits for our children and see the outcomes for the incursions planned.

Outcome 1: Children have a strong sense of identity. They feel safe, secure, and supported. They develop their autonomy, inter-dependence, resilience and sense of agency. Children develop knowledgeable and confident self-identities Children learn to interact in relation to others with care, empathy and respect.

Outcome 2: Children are connected with and contribute to their world. They develop a sense of belonging to groups and communities and an understanding of the reciprocal rights and responsibilities necessary for active community participation. Children respond to diversity with respect. Children become aware of fairness. They become socially responsible and show respect for the environment.

Outcome 3: Children have a strong sense of wellbeing. They become strong in their social and emotional wellbeing. Children take increasing responsibility for their own health and physical wellbeing. Children become confident and involved learners through music and moving.

Outcome 4: Children are confident, involved learners. They develop dispositions such as curiosity, cooperation, confidence, creativity, commitment, enthusiasm, persistence, imagination and reflexivity. They use a range of skills and processes such as problem solving, inquiry, experimentation, hypothesising, researching and investigating. Children transfer and adapt what they have learned from one context to another. Children resource their own learning through connecting with people, place, technologies and natural and processed materials.

Outcome 5: Children are effective communicators. Children interact verbally and non-verbally with others for a range of purposes. Children engage with a range of texts and gain meaning from these texts. Children collaborate with others, express ideas and make meaning using a range of media and communication technologies.
